

# Merchandise Care Guide

Congratulations on your purchase! Your new merchandise was made with love and care, crafted to the highest international standards, and with your comfort in mind. To keep your garments looking and feeling their best, please follow these simple care guidelines.

## Washing

Always check the care label inside your garment - follow the instructions carefully. Avoid using traditional soap bars. Wash garments inside out, and never use bleach.

## Drying

Line-dry your clothes and avoid direct sunlight for extended periods, as this can cause fading. Never tumble dry.

## Fabric Care

Do not dry clean. These items are best cared for at home.

## Ironing

Only iron if needed. Use a cool iron and never iron over branded areas.

**Enjoy your merchandise - wear it with confidence.**
